## WHY DON'T YOU WAKE UP?

## The Alarm Has Sounded and You are Not Even Rubbing Your Eyes

The United States has turned the water into the Canals of the Carlsbad Project and you act as though nothing had happened, blind as a bat, lazy as a sloth.

Are you going to let the outsiders come and reap the rich harvest in store for the man who thinks while you sleep? Don't disturb yourselves. In five years you can wake up and take a squint through your hind sights and see what you might have done. The "Oldest Inhabitant" always enjoys this kind of a thing, and you'll have lots of fun while the OTHER FELLOW HAS THE STUFF. But if you do care to take the tide at its flood, remember that WE have the exclusive agency for the following property:

Pecos Irrigation Co., Pecos Valley Trust Co., Joseph S. Stevens, Collateral Trust, Stevens' Second Addition, North Carlsbad, and La Huerta Co.

Besides the individual lands of many non-residents, comprising many choice lots.

BETTER THINK NOW THAN REGRET LATER.
